

Let's meet at AIF 2016!

As a music agency, we provide a cutting edge [Artist Roster](#) of the most jumping acts from the UK and beyond within the world of Electro Swing, Vintage Remix, Brass Band Remix and more.

When it comes to top class world and global music, with a modern twist, our [Global Local](#) roster is the answer! 10 years in the running, this Arts Council funded project for which we have been granted NPO status allows us to bring high quality diverse music to small and large stages, at all types of community and commercial festivals, from Glastonbury to Ealing Jazz Festival.

We're by no means a one trick pony, as well as providing unforgettable acts we also curate many stages at a wide range of festivals, offering a colourful programme that can be fitted to a theme or left solely in our creative hands. Making audiences jump at Glastonbury, Bestival, Wilderness, Boomtown, Lovebox, Shambala, Secret Garden Party, Latitude and Camp Bestival to name a few.

This is run by our award winning [Event Production Team](#), also capable of producing and delivering all aspects of your event from health and safety to staging, lighting and sound and of course world class entertainment.

Some past and ongoing events we have produced include [Lolibop Festival](#) , [Lewisham Peoples Day](#) , [Blackheath Fireworks](#) and [We Are Festival](#) -winning Best New Festival 2013 and Best Medium-Sized Festival 2014 at the UK Festival Awards.
